You applied for ATAS clearance on 25/03/2024 to study PhD Computer Science (CAH11-01-01) at University of Manchester.

You stated that your thesis, area of research, or the modules of your taught Postgraduate course would be:

"The current Large Language Models (LLMs) have strong generative capabilities in open-ended domains. However, due to the scale, it is difficult to personalize LLMs automatically based on user information to provide tailored responses. To address this issue, this project proposes Personalized-Instruction-Tuning, which enables large language models to follow this type of instruction effectively. It will allow LLMs to leverage their existing knowledge relevant to the user's given requirements and solve the task accordingly, thereby achieving desired personalization."

I am pleased to inform you that your ATAS application was successful.

You will need to include this ATAS certificate with your other supporting documents when you make your visa application or if you are a visitor, before you begin your research.

This certificate is only valid for the named individual, University / Higher Education Institution / Research Institution and subject areas stated above. It is valid for six months from the date of issue. However, if you wish to study or undertake research at another University / Higher Education Institution / Research Institution, change your course / area of research or extend your course or research by more than three months, you will need to apply for another ATAS certificate. You can do this via the ATAS website <https://www.academic-technology-approval.service.gov.uk>.

You should be aware that submitting forged or fraudulently obtained documents, including a
